## DETAILED ACTION

### *Allowable Subject Matter*

**Claims 1 and 2 are allowable.**

The following is an examiner's statement of reasons for allowance:

In response to remarks made in Applicants' Request for Continued Examination submitted 01/14/2008, wherein Applicants submitted newly discovered references in an Information Disclosure Statement, and, upon conclusion of a comprehensive search of the pertinent prior art, the Office indicates that the claims are allowable.

Regarding independent claim 1, patentability exists, at least in part, with the claimed features of, one or more semiconductor mounting paste guide paths are formed in the mounting pads; a broad section for pressing out and spreading uniformly the semiconductor mounting paste for connecting to an IC chip is formed in a part of the pad clearance gap; and a thin film layer is formed in a center section of the broad section.

Mande is cited as disclosing a flip chip mounting substrate which comprises an electronic circuit composed of a circuit line and plural mounting pads connected to both ends of the circuit line formed on one surface of a base sheet, wherein the plural mounting pads face each other, and, one or more semiconductor mounting paste guide paths are formed in the mounting pads.

Mande cannot be construed as teaching or suggesting wherein a broad section for pressing out and spreading uniformly the semiconductor mounting paste for connecting

to an IC chip is formed in a part of the pad clearance gap; and a thin film layer is formed in a center section of the broad section.

The pertinent prior art, when taken alone, or, in combination, does not adequately teach or suggest all of the limitations as provided, disposed, or arranged in the manner as claimed by the Applicants.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
